*"Colette recently spoke for us as the Opening Keynote Speaker and Virtual Chat Emcee/Moderator of our first virtual IAEE Women's Leadership Forum and as always, she was AMAZING! I have used Colette numerous times in my career and she never disappoints; True professional when it comes to presenting virtually. I always know I can count on her to do what's needed to make our program a huge success! Always on point, providing leadership tips to women; she is top-notch, has a true pulse on what our attendees need and always able to engage! We love Colette! -International Association of Exhibitions and Events (IAEE)*

*"Purina's Women Leaders Forum hired Colette to speak at our International Women's Day event this year and we were thrilled with the response from our audience members! Colette spent time getting to know our corporate culture, and delivered custom content that really resonated; her stories were funny, poignant, and insightful. Our audience consisted of men and women from all levels of the company, and every single person took something meaningful away. Colette was a great investment – hire her if you're looking for inspiration!" - Purina*
