

## **COLETTE CARLSON INTRO:**

Let me begin with a *serious* question: How many feel work would be easier if you didn't have to work with other people?

If you can relate, you're in the right place.

Our speaker today is an authority on Human Behavior and is renowned for her expertise in cultivating human-centric workplaces that turbocharge business results.

Her global reach extends across five continents, and her clientele includes industry giants like Microsoft, Pepsi, FedEx, and Costco.

She's not only a Certified Speaking Professional, a prestigious title held by fewer than 10% of speakers worldwide, but also a distinguished inductee into the Professional Speaker Hall of Fame.

She grew up on the south side of Chicago and now lives in San Diego, but she still prefers pizza over tofu!

Please help me welcome Colette Carlson.
